

جامعة الفيصل  
Alfaisal University

## ENGINEERING AND ADVANCED COMPUTING PROGRAMS

### Engineering Programs

#### Bachelor of Electrical Engineering

- Major:** Electrical Engineering
- Minor:**
- Electrical Engineering
  - Robotics and Autonomous Systems
- Track:** Renewable Energy

#### Bachelor of Biomedical Engineering

- Major:** Biomedical Engineering
- Track:**
- Biomedical Imaging
  - Biomedical Devices and Instrumentation

#### Bachelor of Industrial Engineering

- Major:** Industrial Engineering
- Minor:**
- Industrial Engineering
  - Innovation and Entrepreneurship
- Track:** Digital Design and Manufacturing

#### Bachelor of Mechanical Engineering

- Major:** Mechanical Engineering
- Minor:** Mechanical Engineering
- Track:** Digital Design and Manufacturing

### Advanced Computing Programs

#### Bachelor of Science in Artificial Intelligence

- Major:** Artificial Intelligence
- Minor:** Artificial Intelligence

#### Bachelor of Science in Cybersecurity

- Major:** Cybersecurity
- Minor:** Cybersecurity

#### Bachelor of Science in Data Science and Engineering

- Major:** Data Science and Engineering
- Minor:** Data Science and Engineering

#### Bachelor of Software Engineering

- Major:** Software Engineering
- Minor:** Software Engineering
- Track:** Game Development and Digital Media

### Architecture Programs

#### Bachelor of Architectural Engineering

- Major:** Architectural Engineering
- Track:**
- Construction Management
  - Sustainable Development

#### Bachelor of Architecture

- Major:** Architecture
- Track:**
- AI in Architecture
  - Robotics in Architecture

### Graduate Programs

#### Master of Engineering & Systems Management (MEM)

#### MSc in Applied Artificial Intelligence (MAI)

#### MSc in Cybersecurity (MCS)

### Academic Collaborations
