

Poster Submission Guidelines

1. **Poster size: 100 cm wide X 180 cm high.**
2. You need to adhere to the **template** design and size.
3. Do not resize the template.
4. **Content:** Title (*project title, student names and supervisor*), Abstract, Project Objectives, Background, Materials and Methods, Results and Conclusions.
5. Use as few words as possible. Bulleted lists are encouraged.
Use at least 18-point font.
Photographs, graphs, and schematics are best with descriptive figure titles.
6. Keep everything as simple as possible and try to avoid overcrowding your poster. It is important that your poster is easily read by all.
7. All poster boards will be up in front of College of Engineering.
Each board will be **numbered with specific poster codes** in the upper RHS.
8. Students should hang their posters on **April 27, 2025.**
